

# INVESTING DESTINY

## EDUCATION

Your year formation forms the base energy for the whole year.

Always remember the above. If you are deciding whether to invest or not, always understand your yearly formation first, and don't just rely on your monthly formation.

Yearly formation energy is stronger than monthly formation, and overrides monthly energy because every month there is only 30 days.

If your yearly formation consists of both good \$ element and challenges, it means that you can find/spot good investment opportunities; can these good opportunities appear in a double challenging month? Yes, it can, but REMEMBER that then your investment experiences and knowledge play a very important role.

# Your year formation forms the base energy for the whole year.

Investing Destiny energy 50%,  
Knowledge and experiences 30%,  
Character 20%.

If you research well, and understand your stock(s) well, know their value, have a good plan, you can act carefully if you notice good value and good opportunity, even in a challenging month. But, make sure you do your homework well, because a challenging month is telling you that you may make errors or miss anything.

If you invest without understanding what you are doing, or listen to rumours etc, you may want to avoid challenging months.

Use your ID chart to remind you.

In a year with challenging energy only, you may want to consider taking a break during a challenging month.

# 流年的紫微投资格局能量强过流月的能量

当你在决定要不要开启投资，请记住别只参考和运用你的流月格局/星系。一定要先明白和了解你一整年的投资能量。

一整年的紫微能量强过一个月的能量，因为一个月只有三十天，每个月能量很快地一直在变动和运转。

例如，假如你的2022财格有着“武曲禄+武曲忌”，你的紫微投资表在告诉你2022你有机会看到/找到有价值和对你有利益的投资，这机会会不会在很忌的月份出现？这是有可能的，但你一定要记得你的紫微表在告诉你在很忌的月份你要特别的小心，所以你得清楚了解你的投资，它的价值，一定要明白你在投资些什么。你一定要做足功课，因为忌的月份在提醒你你可能会犯错。

在一个只有忌的年份和月份，紫微投资表在建议你休息不投资可能是最好的决定。

# *ALWAYS REMEMBER THIS*
